

# Case study

## 3 Temple Quay

---

---

### PROJECT LOCATION

Bristol

---

### PROJECT TYPE

Office Fit Out,  
Design &  
Furniture

Lancer Scott's Interior Design and Fit Out Department recently completed the Office Design, Fit Out and Furniture for an Insurance company who were moving into new offices in Temple Quay, Bristol.

We put together layout proposals, full design and then fit out and reconfigured the space accordingly.

The final product looks polished, professional and design led and the client was delighted with their new space
