

Case study Finzel's Reach

PROJECT LOCATION

Bristol

PROJECT TYPE

Full Office
Building &
Brewery
Refurbishment

LEFT HANDED GIANT

Complete fit-out and installations of all services to existing shell of famous brewery in central Bristol. Challenging project due to location and logistical challenges for deliveries and storage on-site.

Works included installation of HVAC systems, electrical services, lifts and full internal fit-out of building fabric elements and decoration.

M&E Design and installation
